

SOUTHWESTERN ONTARIO SUZUKI INSTITUTE 2021

Student Institute August 8–13, 2021 | Teacher Development August 7–15

**Canada's largest Suzuki Institute offers a comprehensive
ONLINE program for 2021**

Last year, we offered our Young Artist Program online. This year, we add an innovative *reinvention* of our complete institute, with teachers joining us online with master classes, group classes, enrichment classes, and an exciting selection of optional classes and seminars. We can't provide orchestra or chamber music, but it will be a great experience that will get you pumped for the upcoming fall season of lessons, hopefully in person for most of us.

We usually ask you to Come to Canada's Biggest Institute; but this year, **Canada's Biggest Institute Comes to You!**
